Up to the age of 16 a child is registered on the Domicile Card of the head of the family. After 16, the child is issued a separate card. In order to obtain it, the child must report to the Registrar with the card of the head of the family, and must produce a birth certificate. These papers are then sent to the Department of Records of Movement of the Population (Wydział Ewidencji Ruchu Ludności) at the Municipal People's Council. This Department issues the new card, makes the necessary alteration on the card of the head of the family, and returns both documents to the Commissariat of the Citizens' Militia, which in turn passes them to the Registrar of Domicile Cards.
